Noble Service in the Cause of Womanhood

Speaker: Clare Wichbold

The women's suffrage campaign in Hereford is a remarkable story, with the militant suffragettes and peaceful suffragists often working collectively, ranged against the anti-suffrage activists who were equally passionate about their opposition to women gaining the Parliamentary vote.

All these are brought together in Clare Wichbold's book ***Hard Work - But Glorious*** (available at the talk, £15 cash only)

As this is our October meeting, following Clare's talk we will hold our Annual General Meeting
